

# IDEAS TO TURN YOUR PROJECTS GREEN

## Attend **GREENSITE Luncheon & Forum**

The **GREENSITE Luncheon & Forum**, hosted by the editors of **CONCRETE CONSTRUCTION** and **THE CONCRETE PRODUCER** magazines, is a 2-hour program in which contractors, producers and architects share ideas on this fast growing practice—Green or Sustainable Building.

Participants will learn innovative approaches to concrete construction techniques, material design and other elements to earn a green building rating. The program will briefly recognize all **GREENSITE** winners in conjunction with the **GREENSITE** exhibit at World of Concrete 2009.

Learn more about the challenges and solutions of eco-friendly projects.

**THURSDAY, FEBRUARY 5, 2009**  
12:00–2:00 PM • ROOM S222
